ENERGY STORAGE

HYPERION
LONG LIFE 20

Robust and durable high-voltage lithium-ion battery for a self-sufficient energy supply

E-Mobility | Drive System | **Energy Storage Systems** | Power- and Garden Tools | Industrial | Medical

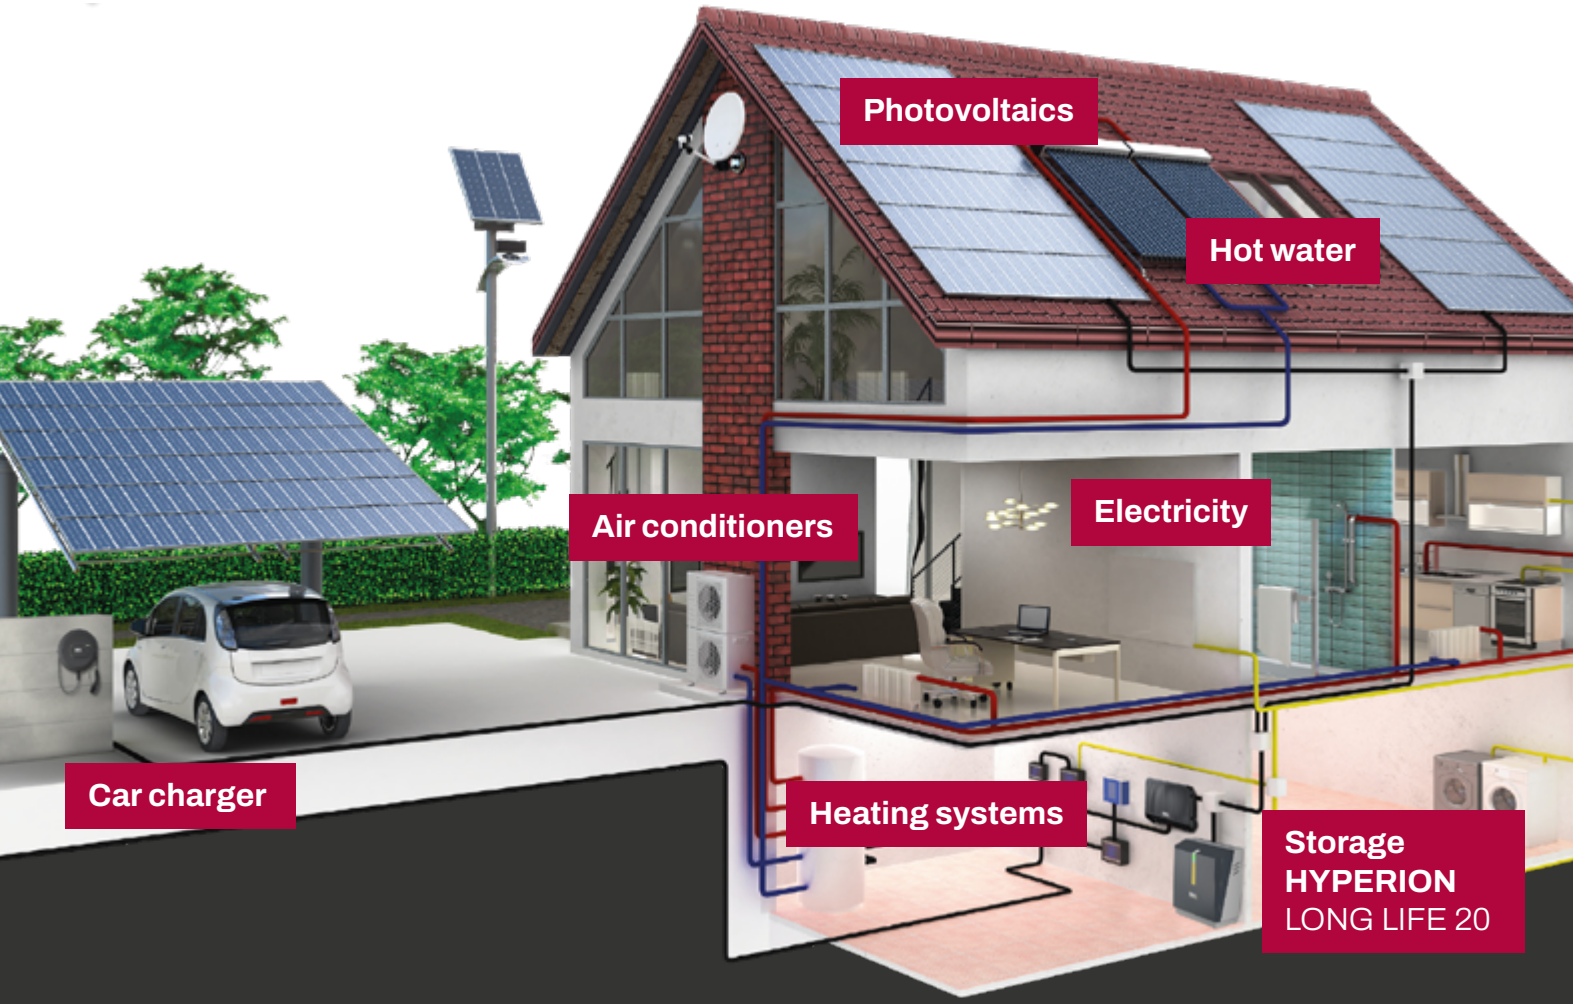
INTELLIGENT ENERGY – FULL CONTROL

Free yourself from rising electricity prices and unreliable grid availability!

With the **HYPERION LONG LIFE 20**, you get a powerful, durable, and safe energy storage solution right in your home. The **HYPERION LONG LIFE 20** is available in indoor and outdoor versions, giving you maximum flexibility in choosing a location on your property.
Whether for your own consumption of solar power, as an emergency power supply, or for a self-sufficient off-grid system, this high-voltage lithium-ion storage system reliably supplies you with energy exactly when you need it.
With the **Hyperion Long Life 20**, you are investing in a sustainable, secure, and powerful energy supply for your home. This allows you to remain independent, save costs in the long term, and contribute to the environment.

Your benefits:

- **Powerful & durable**
- **2-channel safety architecture**
- **Metal housing for system and battery modules**
- **Available in indoor and outdoor versions**
- **Black start capable for emergency power/ island operation**
- **Passive cooling**



TOP BENEFITS

- Each module weighs only 22 kg
- Set up the system in under 30 minutes
- Available as indoor and outdoor versions
- Operable by one person
- Expandable

HYPERION.
LONG LIFE 20

Invest in your sustainable energy future and benefit from a well-thought-out and high-performance system.

HYPERION LONG LIFE 20 BUNDLES

The centerpiece of every photovoltaic system

Our exclusive bundles give you independence and ensure maximum energy efficiency.
The BMZ **HYPERION LONG LIFE 20** energy storage system (available as an indoor or outdoor version) can be ideally combined with the **BMZ POWER2GRID** hybrid inverter or the KOSTAL Plenticore plus G2 inverter. This gives you a perfectly coordinated system that uses your energy intelligently and offers you maximum convenience.
