Folded dimensions	600 x 540 x 90 mm	972 x 620 x 62 mm
Expanded dimensions	2208 x 540 x 30 mm	2462 x 972 x 28 mm
Folding way	4 folds	4 folds
Solar cells	33 pcs	60 pcs
Solar panel	4 pcs solar panel	4 pcs solar panel
Output connector	MC4	MC4
Operating temperature	-20 °C – 60 °C	-20 °C – 60 °C
IP Class	IP67	IP67
Weight	~ 7.7 kg	~ 8 kg

SOLAR PANEL IN A BUNDLE

Unlimited power? No Problem!

With our foldable solar panels, you can charge your **POWER2GO** wherever there is sunlight – while camping, on construction sites, or at home in the garden.

So you're using green electricity and doing something good for the environment.
